Michelle Maggos has a passion for education and the future of our children. As a parent, teacher and school board president she sees education from all angles. She has a Bachelor of Arts in business management and a minor in human resources management. She was a Community Reinvestment Act Coordinator at several area banks before earning a Master of Arts in Elementary Education. Maggos is currently a first grade teacher at Piper Elementary School. The connecting link to the success of our children - COMMUNITY. This is why she joined the board of the SoBe Education Foundation. Michelle has also had many other volunteer experiences including: Cub Scout Leader, President of the Northern Illinois Air Force Academy Parent Club, District 95 School Board President, and VP of the North Stars Hockey Club among others. The SoBe Education Foundation seeks community involvement to enhance the learning opportunities for OUR children. Please join us in making a difference in the future of District100 students.
